

Mostafa Ahmed Arafa

GIS SPECIALIST

Cairo, Egypt – [+201125898024](tel:+201125898024) – mostafa3arafa3arafa@gmail.com

Military service: Exempted (the only son).

PROFILE

As a graduate with a degree in GIS, I am a motivated and hardworking person seeking to launch my career in the GIS and Remote Sensing field. I have a GIS foundation in key concepts such as processing, layout and digitizing maps, able to make subsurface structure maps, and have a good background in network analysis, hydrologic analysis and create geodatabase. In addition, I possess strong analytical and problem-solving skills, excellent communication skills.
